Corrigendum to EN 60092-507:2015

English version

Foreword:*Add the 2 following paragraphs:*

This document has been prepared under a mandate given to CENELEC by the European Commission and the European Free Trade Association, and supports essential requirements of EU Directive.

For the relationship with EU Directive see informative Annex ZZ, which is an integral part of this document.

End of the document:*Add the following Annex ZZ:*

Annex ZZ
(informative)

**Relationship between this European Standard and the Essential Requirements
of EU Directive 94/25/EC as amended by Directive 2003/44/EC**

This European standard has been prepared under a mandate given to CENELEC by the European Commission and the European Free Trade Association to provide one means of conforming to Essential Requirements of the New Approach Directive 94/25/EC as amended by Directive 2003/44/EC.

Once this standard is cited in the Official Journal of the European Union under that Directive and has been implemented as a national standard in at least one Member State, compliance with the normative clauses of this standard given in Table ZZ.1 confers, within the limits of the scope of this standard, a presumption of conformity with the relevant Essential Requirements of that Directive and associated EFTA regulations.

Table ZZ.1 - Correspondence between this European Standard and Directive 94/25/EC as amended by Directive 2003/44/EC

Clauses/sub-clauses of this Standard	Essential Requirements (ERs) of EU Directive 94/25/EC as amended by Directive 2003/44/EC	Qualifying remarks/Notes
Clauses 1 to 13	Annex 1.A, 5.3; 5.6.1	Electrical System - three-phase alternating current installations which operate at a nominal voltage not exceeding AC 500 V

WARNING: Other requirements and other EU Directives may be applicable to the product(s) falling within the scope of this standard.
