European foreword

This document (EN 12503-2:2016) has been prepared by Technical Committee CEN/TC 136 “Sports, playground and other recreational facilities and equipment”, the secretariat of which is held by DIN.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by November 2016, and conflicting national standards shall be withdrawn at the latest by November 2016.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN [and/or CENELEC] shall not be held responsible for identifying any or all such patent rights.

This document supersedes EN 12503-2:2001.

In relation to EN 12503-2:2001, the following main changes have been made:

- a) The document has been editorially revised;
- b) Normative references have been updated;
- c) Table 2 regarding the shock absorption has been modified regarding Type 11.

EN 12503, *Sports mats* consists of the following parts:
