European foreword

This document (CEN/TR 17499:2020) has been prepared by Technical Committee CEN/TC 336 “Bituminous binders”, the secretariat of which is held by AFNOR.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN shall not be held responsible for identifying any or all such patent rights.

This is a new document.

Introduction

European harmonised standards in support of the Construction Products Regulation (Regulation (EU) No 305/2011) (CPR) do not contain examples of CE marking.

This document is not aiming to replace or supplement the Construction Products Regulation (Regulation (EU) No 305/2011) and all terms of responsibility remain as outlined therein. However, this Technical Report is aiming to assist communication by providing examples. More detailed information can be found at https://ec.europa.eu/growth/sectors/construction/product-regulation_en.

1 Scope

This document provides examples of Declaration of Performance (DoP) and CE Marking for bitumen and bituminous binders for use in the construction and maintenance of roads, airfields and other paved areas.

NOTE 1 Only harmonized technical specifications (product standards or ETAs) cited in the OJEU are the basis for drawing up the Declaration of Performance.

NOTE 2 The product standards this document is related to, are listed in the bibliography.

NOTE 3 The EC database of all harmonized standards is available at <https://ec.europa.eu/growth/tools-databases/nando/index.cfm?fuseaction=cp.hs&cpr=Y>.

2 Normative references

There are no normative references in this document.
